### Balance Sheet Notes

- 1 The change in cash/investment position from August 31, 2016, to August 31, 2017 after self-insured funds held and deferred revenue are deducted was a decrease of \$814K as compared to an increase of \$5.41M the prior year.
- 2 The State Auditor requires the district to recognize funds held in a compensated absence pool at Educational Service District 123 as an asset on the balance sheet. Funds are in an investment pool to pay for future compensated absence costs. The district charged leave cashouts totaling \$762,241 against those funds in school year 16/17.
- 3 The District is self insured for dental. Monthly dental premium revenues are deposited in the general fund through payroll processing and held as a liability due to the Self Insured Fund. The premiums collected are recognized in the Self-Insured Fund (dental program) as revenue.
- 4 The District is self insured for workers' compensation. An amount of \$1,331,435 represents the portion of district cash associated with workers' compensation premium held prior to September 1, 2007. The balance of \$99,381 represents premiums collected in August 2017 that have not yet been transferred to the Self Insured Fund.
- 5 Deferred revenue balance includes Battelle funds provided to support science resource center operations in the amount of \$279,087 and \$355,229 endowment for the district music program.

**Explanation of Changes From 15/16 to 16/17.**

1 Increase from \$154.9M to \$165.0M in state revenue results primarily from increased enrollment, K- 3 class size funding, and state 1.8% cost of living increase.

2 Cost for supplies and purchased services are lower than the prior year by \$3.17M and \$1.955M respectively, primarily due to the IT department lagging behind the purchase of computers and other services as compared to the prior year, and curriculum adoption payments lagging behind last year.

3 Capital purchases as of August 31, 2017 include:
