USE OF STUDENT LIKENESS - DENIAL FORM

From time to time, photographs or videos of students are taken during the school day for use in district news releases, publications, video productions, social media, and the district website. On occasion, television and other news media are invited to cover stories in our schools and take photos, video and/or interview students. Please sign the form below if you do not wish your child to be photographed, videoed, or interviewed.

This form does not cover photos, videos or recordings taken at public, school, or district events including, but not limited to school assemblies, plays, concerts, or sporting events. This form must be completed annually and is in effect from the date signed to the end of the school year.

Complete only if you do not want your child to be photographed.

I do not allow _____ to be photographed, recorded, or otherwise reproduced in likeness, name, or voice, or to have any project created by my child displayed in any public forum or district/school created web site during the current school year.
