

NON-INSTRUCTIONAL OPERATIONS

Contracting for Transportation Services

In the event the board shall enter into a contract for transportation services under RCW 28A.335.170, such a contract shall include the following requirements among the contractor's obligations:

1. The contractor and its employees shall comply with state law and regulations and with the policies of the district which are applicable.
2. The contractor shall procure such insurance as the board specifies.
3. Every person employed by the contractor as a bus driver shall be subject to the applicable provisions of WAC 392-143, 392-145 and 180-20.
4. The contractor shall comply with WAC 392-143, Transportation--Specifications for School Buses, as failure to comply with this chapter constitutes cause for withholding of state transportation funds.
