Dave Bond, Superintendent
Kennewick School District
622 N. Kellogg Street
Kennewick, WA 99336-4921

Dear Superintendent Bond:

Kennewick School District has been approved to operate the Community Eligibility Provision (CEP) beginning in school year 2017-18 for a period of four years and expiring June 30, 2021. The participating schools and claiming percentages are as follows:

Kennewick School District	
Group 1: Amistad Elementary School, Canyon View Elementary School, Eastgate Elementary School, Edison Elementary School, Hawthorne Elementary School, Vista Elementary School, Washington Elementary School, Westgate Elementary School, Highlands Middle School, and Park Middle School	
Identified Students:	3901
Enrollment:	6090
Identified Student Percentage:	64.06%
Free Claiming Percentage:	100.00%
Paid Claiming Percentage:	0.00%

During this time, the district/participating sites must offer breakfast and lunch at no cost to all students in participating schools. Claims for reimbursement must be filed in the Washington Integrated Nutrition System (WINS) to show the total number of breakfasts and lunches served at each site. WINS will apply the approved claiming percentages to claims for reimbursement each month for sites participating in CEP.

As of April 1 of each school year, the district will have the opportunity to determine the identified student percentage (ISP) for the district/participating schools and apply to increase claiming percentages as applicable. Should the identified student percentage decrease, the district/participating schools are not required to adjust the free and paid claiming percentages during the four-year period.

We are returning a signed copy of the CEP agreement that was submitted with your application packet. Please review it to ensure you are in compliance with this agreement.

Dave Bond, Superintendent
