

## AMENDMENT TO DELTA HIGH SCHOOL PROGRAM COOPERATIVE AGREEMENT

WHEREAS, Kennewick School District No. 17 (“Kennewick”), Pasco School District No. 1 (“Pasco”), and Richland School District No. 400 (“Richland”), together “the Parties”, are parties to an April 2014 agreement authorized by RCW 28A.225.250 and Ch. 392-135 WAC governing the Delta High School interdistrict cooperative program (“the Agreement”); and

WHEREAS, Section II(A) of the Agreement designates Educational Service District 123 (“ESD 123”) as the host district for the program; Section II(B) of the Agreement designates ESD 123 as the fiscal agent for all revenues and expenditures of the program; and Section III(A)(3) of the Agreement designates ESD 123 as the employer of record for all Delta High School Program classified staff; and

WHEREAS, the Parties have determined that conditions have materially changed since the approval of the Agreement; and

WHEREAS, Section X(H) allows the parties to amend the Agreement in writing by mutual agreement of all three parties;

NOW, THEREFORE, THE PARTIES DO HEREBY AGREE AS FOLLOWS:

1. The language in Section II(A) of the Agreement shall be deleted and replaced with the following: The Pasco School District will serve as the host district for the Program so long as the Program is located within the boundaries of the Pasco School District.
2. The language in Section II(B) of the Agreement shall be deleted and replaced with the following: As the host district, Pasco School District will serve as the fiscal agent for all revenues and expenditures of the Program which are not borne directly by the participating school districts of the cooperative, unless otherwise stated in this Agreement. The fiscal policies and procedures for the Program shall be developed by the Superintendents’ Council in conjunction with the Pasco School District.
3. The language in Section III(A)(3) shall be deleted and replaced with the following: The Superintendents Council will determine annually the number of full-time equivalent classified staff to be hired for the Program. The Pasco School District will be responsible for employing all Program classified staff, and said staff shall be subject to the policies and procedures of the Pasco School District.
4. The language in Section III(A)(5) shall be deleted and replaced with the following: The Parties will develop procedures for assigning and compensating substitute teachers in case of absence of a TOSA assigned to the Program.
5. The language in Section III(A)(6) shall be deleted and replaced with the following: All volunteers in the Program shall be subject to the policies and procedures of the Pasco School District, including required criminal history background checks. The Pasco School District agrees to, at a minimum, require each volunteer to undergo a name and birth date criminal history background check through the Washington State Patrol. The Parties may develop separate procedures for placement of students in practicum and internship opportunities as part of the educational program.
6. Written notice of the amendments to the Agreement shall be provided to ESD 123 within ten (10) days of execution of the Parties.

7. The amendments in (1) through (5) shall take effect on a date certain to be agreed by the Superintendent's Council, between July 1, 2017 and September 30, 2017.
8. Any Delta classified staff member who is an employee of one of the Parties prior to the date determined per paragraph (5) will remain an employee of that party and will not be affected by this agreement.
