Audit Summary

Kennewick School District No. 17 Benton County June 25, 2013

ABOUT THE AUDIT

This report contains the results of our independent accountability audit of Kennewick School District No. 17 from September 1, 2011 through August 31, 2012.

We evaluated internal controls and performed audit procedures on the activities of the District. We also determined whether the District complied with state laws and regulations and its own policies and procedures.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of noncompliance, misappropriation or misuse. The following areas were examined during this audit period:

- Financial condition
- Student enrollment reporting
- Financial transactions – transfers
- Use of District vehicles
- Procurement of professional services
- Associated Student Body
- Cash receipting

RESULTS

In the areas we examined, the District's internal controls were adequate to safeguard public assets. The District also complied with state laws and regulations and its own policies and procedures in the areas we examined.

FINANCIAL

Our opinion on the District's financial statements and compliance with federal grant program requirements is provided in a separate report, which includes the District's financial statements.

FEDERAL GRANT PROGRAMS

We evaluated internal controls and tested compliance with the federal program requirements, as applicable, for the District's major federal programs, which are listed in the Federal Summary section of the financial statement and single audit report. That report includes a federal finding regarding procurement of special education services.

Description of the District

Kennewick School District No. 17 Benton County June 25, 2013

ABOUT THE DISTRICT

Kennewick School District No. 17, located in Benton County, provides educational services to approximately 16,000 students in prekindergarten through 12th grade. The District encompasses 292 square miles including the city of Kennewick and the unincorporated community of Plymouth. The District operates three high schools, an alternative high school, one project based high school, a skills center, four middle schools, 14 elementary schools and one preschool. In addition, the District holds classes at the Juvenile Justice Center.

An elected, five-member Board of Directors governs the District. The Board appoints management to oversee the District's daily operations as well as its approximately 1,600 employees. For fiscal year 2012, the District operated on a \$188 million annual budget.

AUDIT HISTORY

We audit the District on an annual basis. The past seven audits of the District were free of accountability findings.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
