Student Rights and Responsibilities

All students who attend the district's schools shall comply with the written policies, rules and regulations of the schools, shall pursue the required course of studies, and shall submit to the authority of the teachers of the schools, subject to such corrective action or punishment as the school officials determine.

The school principal and staff shall confer at least annually to develop and/or review student conduct standards and the uniform enforcement of those standards.

Any student who willfully performs or fails to perform any act which materially interferes with, or is detrimental to, the orderly operation of a school, school-sponsored activity, or any other aspect of the educational process within the school district, shall be subject to discipline, short or long-term suspension, or expulsion by authorized school district authorities.

The following acts or omissions by a pupil on school premises, or off school premises at any school-sponsored activity, shall constitute sufficient cause for such discipline, suspension or expulsion: disruptive conduct; disobeying the rules and regulations in the student code or the reasonable instructions of school authorities; immoral conduct; vulgarity or profanity; unauthorized or habitual absence or tardiness; destruction or defacing of school property.

Student actions contrary to the laws of the state, county or municipality may be dealt with through law enforcement or school sanctions. These acts include, but are not limited to, the use or possession of tobacco (including electronic delivery devices) and alcoholic beverages; use, possession, or sale of narcotics; destruction or defacing of school property; extortion or intimidation; assault of another student or staff member; stealing; possession and/or use of any dangerous weapon or object; or the commission of any other criminal act.
