

SCHOOL FACILITIES

Goals

The board recognizes the importance that the physical plant plays in enhancing the instructional program. The district shall develop an aggressive program to maintain and/or upgrade the buildings and grounds of the district. Facilities represent a long-term investment of the district and the state. The functional utility of such facilities can be increased with a regular maintenance program monitored by staff.

The district further recognizes the importance of planning in order to provide the anticipated facility needs of the future. The district shall maintain a regular review of birth data, mobility characteristics, industrial development and housing development within its boundaries.
