Dear Superintendent:

This letter is to confirm that the technology plan for Kennewick School District is fully approved by OSPI through June 30, 2010. This means that your district is eligible to apply for funding from the universal service program (E-Rate) discount* and for funds through the Title II, Part D (Enhancing Education Through Technology, or EETT) Grant.

If you have questions about the approval process, the e-rate program, or the EETT grants, please contact the Educational Technology Support Center Director at your local ESD.

Sincerely,

Julia Fallon
Administrative Services

cc: District Technology Coordinator

**OSPI is certified by the Schools and Libraries Division to approve technology plans for participation in the Schools and Libraries Universal Service Program. Approval of your plan means that it has met the standards and criteria outlined in the following checklist:*

- The plan establishes clear goals and a realistic strategy for using telecommunications and information technology to improve education.*
- The plan has a professional development strategy to ensure that staff know how to use the new technologies to improve education.*
- The plan includes an assessment of the telecommunication services, hardware, software, and other services that will be needed to improve education.*
- The plan provides for a sufficient budget to acquire and maintain the hardware, software, professional development, and other services that will be needed to implement the strategy for improved education.*
- The plan includes an evaluation process that enables the school to monitor progress toward the specified goals and make mid-course corrections in response to new developments and opportunities as they arise.*
