

FIFTH GRADE IS GOING TO BE A BLAST!!!

We Are a “Team” in Fifth Grade

Ms. Beck and Mrs. Cramer are team teaching again in 5th grade next year. We are really excited to share our sixth group of kids! So, let’s get started.....You will need to buy a “cool” binder since you will be moving between two classrooms. **Do not buy a “big” binder or one with a “zipper.”** They are a *headache!* Just keep it simple! Your child will use every supply we have requested. Please be sure they are prepared for the school year. Have a great summer enjoying your friends and family. Fifth grade is going to be an awesome year.
