Dale Kern
Assistant Principal

Dear Parents of Athletes:

The district administration, H3MS building staff and transportation department have been working together to help insure the availability of buses for all activities and to help Kennewick Middle Schools have agreed to share rides whenever possible and to institute a drop only policy when competing against each other.

On days your athlete/manager is competing against Park, Highlands or Desert Hills, your student will be transported by bus to the game site. He/she will not be transported back to H3MS after the contest. You will need to make arrangements to have him/her picked up at the game site and transported home. The coach will remain with the students until all athletes have left the campus.

Transportation by bus will be provided to and from all activities held outside of Kennewick.

We appreciate your support.

Sincerely,

Madeline Gebers, Co-Athletic Director

Boyd Gebers, Co –Athletic Director

James Tobery, Assistant Principal

Please sign and return to your child's coach.

I have read the information regarding the "drop only" policy for athletic events played in Kennewick. I will make transportation arrangements for my child after these events.

Student's Name _____ Activity _____

Parent's Signature _____ Date _____

Transportation will be provided by _____
