

Southridge Boys Soccer

“In order to excel at the highest level you need to be focused and disciplined. Can you drive yourself with self-discipline when others are not there? No one is going to be constantly pushing you, insisting that you hone your skills. When it truly counts, you’re on your own. Your margin of success is based on your inner drive. This focus and self-discipline is also a great element of your character.”

Player Roles

Players need to strive for excellence in the classroom as well as on the field. This means carry at least a 2.5 or better, and give 100% every time you step out onto the soccer field. Everyone needs to show leadership and accountability. Everyone is important to this program; therefore, everyone deserves the same respect.

Coaches

Chip Elfering-head coach, 5th year

Riley Dodson-assistant coach, 5th year

Johnny Trevino- J.V. Head Coach/Varsity Assistant 2nd year

We will be at every game,

If you are on one team that does not mean you will stay there; I am a firm believer in work ethic. If you are working hard you will earn your place. You can move up or down. As coaches we are here to improve your skills, as well as, put you in the best position for success. We cannot win the games for you; you have to do that for yourself and your teammates. That is where accountability comes in.

Preseason Conditioning

Coming to every practice is not mandatory, but it shows your character. If you cannot attend, let one of the coaches or captains know. Please look at the calendar for times, dates and places.

We are here this year to be one of the best soccer programs in the CBBN. We will be, I strongly believe that, and you should too.
