ADMINISTRATION

Superintendent-School Board Relations

The board of directors shall exercise those powers that are expressly required by law, those implied by law and those essential to the purposes and goals of the district. To this end, the board shall delegate to the superintendent such powers as may be required to manage the district in a manner consistent with board policy and state and federal law.

The superintendent shall supervise all phases of school district operations. The superintendent may delegate to other school personnel the exercise of any powers and the discharge of any duties imposed upon the superintendent by this authority. The delegation of power or duty shall not relieve the superintendent of responsibility for the action taken under such delegation.
