

STUDENTS

Survey of Student Interests

A survey instrument shall be administered at all grade levels where interscholastic sports are conducted once every three years. The results of the survey will be considered in program planning and development.

The survey (3550 F-4) will be administered on the following schedule in the fall of the year indicated:

2003  
2006  
2009  
2012  
2015

July 2003
