Student Exceptional Misconduct

Exceptional misconduct means misconduct, which the school district has judged as follows:

- (a) To be of such frequent occurrence, notwithstanding past attempts of district personnel to control such misconduct through the use of other forms of corrective action and/or punishment, as to warrant an immediate resort to long-term suspension or expulsion, and/or
- (b) To be so serious in nature and/or serious in terms of the disruptive effect upon the operation of the school(s) as to warrant an immediate resort to short-term suspension, long-term suspension, or emergency expulsion.

Students shall refrain from exceptional misconduct while on school property during or immediately before or after school hours, at any time the school or grounds are being used for a school activity or event, or while attending a school activity or event off the school grounds. School events include, but are not limited to, athletic events and athletic team camps, co-curricular events and co-curricular camps, Kennewick School District bus stops, and incidents that occur within the proximity of the campus or has a nexus to school. Acts that occur off-campus and/or after school hours will be reviewed by its effect upon the safety and operation of the school and whether it, in fact, is detrimental to the good order and to the welfare of the pupils.

Administrators investigating incidents of exceptional misconduct shall conduct thorough investigations and carefully review the circumstances of the incident. Administrators have the discretion to take appropriate disciplinary actions and to differentiate consequences based on the involvement of various students in the exceptional misconduct. If action is taken to long-term suspend or expel, the exclusion from school must have an end date of not more than the length of an academic term as defined by the school board (90 days) unless the offense involves a firearm.

The Kennewick School District views weapons violations, violence, threats, or threats of violence, acts that could result in bodily harm or any other conduct that results in a disruption of the educational process as exceptional misconduct. Students engaged in such conduct are subject to corrective action or punishment, including, but not limited to, suspension and expulsion. As a matter of practice, law enforcement may be called anytime a student commits any of the following acts:
