Student Dress

Students are reminded that their appearance significantly affects the way others respond to them. Matters of dress remain the primary concern of students in consultation with their parents. Student dress shall not be regulated except when, in the judgment of school administrators, there is a reasonable expectation that:

1. A health or safety hazard will be presented by the student's dress or appearance including possible membership in a gang or hate group.
2. Damage to school property will result from the student's dress.
3. The student's dress or appearance will create a material and substantial disruption of the educational process at the school.

For the purpose of this policy, a material and substantial disruption of the educational process may be found to exist when a student's conduct is inconsistent with any part of the educational mission of the school district. Prohibited conduct includes the use of lewd, sexual, drug, tobacco/alcohol-related messages, or gang-related apparel.

The uniforms of nationally recognized youth organization, and clothing worn in observance of a student's religion, are not subject to this policy.

The superintendent shall establish procedures providing guidance to students, parents/guardians, and staff regarding appropriate student dress in school or while engaging in extracurricular activities. Such procedures shall ensure that any student wearing, carrying, or displaying gang-related apparel, or exhibiting behavior or gestures which symbolize gang membership, or causing and/or participating in activities which intimidate or affect the attendance of another student shall be asked, with notice to his or her parents/guardians, to make appropriate corrections and be subject to discipline if the corrections are not undertaken.
