A Performance Contract designed to assist _____________________________________
(student name)
in his/her effort to be successful in each course of study. This document clarifies the
conditions, consequences, and positive outcomes between the student, teacher, parents, and
administrator.

CONDITIONS:

*____ attend all classes and be on time each day (no truancies or tardies).
*____ bring materials, pen/pencil, paper and textbook to class every day.
*____ follow the teachers’ directions, take notes and participate in class activities
for the entire period.
*____ complete assignments and turn them in on time.
*____ be considerate to others and will not be disruptive in class
*____ Other _____________________________________________.

CONSEQUENCES: FAILURE TO MEET THE CONDITIONS OUTLINED ABOVE
WILL RESULT IN:

*____ Detention or Saturday School and parent notification.
*____ If behavior continues – he/she will be sent to an administrator who may
assign the student to in-school suspension room until the end of the period.
(Positive motivational instruction.)
*____ Behavior modification through a district PMI session.
*____ If problems continue it will be recommended that he/she will be withdrawn
from the regular classroom and an alternative educational experience will be
explored.
*____ Other _____________________________________________.

POSITIVE OUTCOMES

*____ be allowed to continue in school and participate in all activities.
*____ receive credit for the work that is completed.
*____ establish a working relationship with the school staff.
*____ Other _____________________________________________.
