

STUDENTSAttendance/Non-Single Students

Girls who become pregnant before completing high school will be encouraged to continue their education. At the time the pregnancy is reported to school officials, the staff will work cooperatively with the girl, to develop a plan for her education during the pregnancy and after the birth of the child.

Married students shall have the same rights and responsibilities as unmarried students. This includes the right to participate in any extracurricular activity on the same basis and subject to the same requirements as unmarried students.
