

On-Demand Tutoring: How it Works

Feeling stuck? Get free 24/7 1-on-1 help from an expert tutor.

- Go to your **Clever** account and select the Varsity Tutors icon to login into the Learning Lab.
- To start a tutoring session, select **Chat with a Tutor** located in the Learning Lab.
- Identify your preferred **language** and choose a **subject** you need help in.
- Type a question in the '**What do you need help with**' section.
- Click **Start Session** to begin chatting with a tutor.
- Use the **shared whiteboard** and **collaborative tools**, you can work with the tutor for as long as you need to understand the problem.

Anytime Support for Students

Homework Help

Get the guidance you need to understand even the most difficult assignments.

Exam Prep

Learn test-taking tips and review practice problems for an upcoming exam.

Writing Review

Receive feedback on a paper, lab report, or any other writing assignment in real time.
